Prerequisites course(s):	-
Course outcome:	After taking this course the students have ability to:

	 CO1. Understanding humans as the image of God, revelation, and faith based on the teaching of Catholic Church. CO2. Understanding the meaning of being a Christian and consequences as a disciple of Jesus Christ. CO3. Understanding the sacrament of the Catholic Church. CO4. Understand the importance of interfaith dialogue and Humanitarian Issues. CO5. Understand the meaning of Catholic marriage, laws, and pastoral consideration. 						
Content:	Human as the image of God. Revelation and faith as the basis of religious life. Christianity and its consequences. Sacrament of Catholic Church, Interfaith dialogue, Humanitarian issues, Marriage in the Catholic Church.						
	Attitude assessment is carried out at each meeting by observation and / or self-assessment techniques using the assumption that basically every student has a good attitude. The student is given a value of very good or not good attitude if they show it significantly compared to other students in general. The result of attitude assessment is not a component of the final grades, but as one of the requirements to pass the course. Students will pass from this course if at least have a good attitude.
